Dr. J. Isham Collier,
Taylor, Texas.

Dear Mr. Collier:

I am getting a line on all of the Colliers in this section that are descendants of Vines Collier, who came from Virginia to Georgia in 1786 settling in Oglethorpe County, and who was a descendant of Isaac Collier that came from London, England, to America on or about 1625; and they were neighbors of Robert Washington of England.

I belong to this family, and I am tracing them all over the country.

Your name was given me by J. M. Collier of Silsbee, Texas.

I think you are a descendant of Benjamin Collier, who was a son of the Vines Collier that I referred to. Vines was my great-great-grandfather, and our family has the following names:

John; William; Robert; Isaac; Cuthbert; George W., etc. and appear in every generation.

Very respectfully,

JCC:S

J. C. COLLIER.
